

# ALABAMA SAFARI PARK COVID-19 UPDATE

- Alabama Safari Park's drive-through safari and walkabout areas are both open. We strongly encourage social distancing and require guests to wear a mask when visiting our gift shop or exploring our walkabout area.
- The safety of our park, our staff, and the animals they care for is, as always, of paramount importance.
- We are following the current Centers for Disease Control and Prevention guidelines and recommendations for businesses by encouraging staff to stay home if unwell, emphasizing respiratory etiquette and hand hygiene.
- We will continue to monitor the situation daily. Please continue to follow our social media pages and website for updates.
